

# Antique Tractor Pull

Saturday, September 5, 2009

Organized by: Heritage Antique Tractor Club

**WEIGH-IN at 10:00AM START TIME at 12:00PM**

### General

1. Tractor must be of a model/series that was manufactured in 1959 or prior. (It is recognized that certain 1960 tractors had been allowed to pull previously and they will have grandfathered status)
2. History of tractor must be provided for the announcer.
3. Tractor to pull in one class ONLY, with winner's option of pulling in weight class heavier.
4. First puller of a class (except in a pull-off) has the option to re-pull. The decision must be made prior to unhooking from the sled and the puller will re-pull in 2<sup>nd</sup> or 3<sup>rd</sup> position.
5. No front wheel lifting.
6. During hook-up, tractor must be in neutral and driver's hands and feet must be off controls.
7. Hooker must stand behind stop plate to hook tractor.
8. Track width is 16 feet.
9. Puller must be available prior to pull.
10. Absolutely no jerking of sled at start of pull.
11. Puller has 25 feet to restart.
12. Torque amplifiers may not be shifted while pulling.
13. Tractors may not exceed a designated maximum speed limit. (currently 4.5 mph but this may be changed if conditions justify it) The first time the horn blows is a warning and the second time is the end of the pull (distance determined at this point)

### Driver

14. No association with drugs or alcohol.
15. No passengers on tractor.
16. Driver must remain seated during pull.
17. Driver must be at least 16 years of age. If under 18 years of age, written authorization of a parent or legal guardian is required.

### Tractor

18. Tractor must be stock (**not modified**) This includes having the proper and complete front end assemblies and fenders (if originally equipped with fenders)
19. Tires may be "loaded" and wheel weights are allowed but not suitcase weights.
20. No strings attached to governor or carburetor.
21. Maximum tire size allowed is 38" diameter. Only rubber tires allowed. The use of radial tires as well as any cut tires is discouraged, as they are not consistent with antique tractors.

### Drawbar

22. All tractors must have a draw bar. If none, the tractor must enter one weight class higher.
23. max. height is 20" and must be rigid in all directions
24. min. 30" measured horizontally from point of pull to center of rear axle. (allowance may be made for **factory** drawbars less than 30")

**Entry Fee:** \$10.00 per tractor.

### Classes:

- |                                    |             |
|------------------------------------|-------------|
